

Do you LOVE where you live?

Then why not help make it even better

Your local Borough and Parish Councils are not just responsible for collecting tax and collecting bins, it's actions affect our everyday lives, including planning, the environment, housing, leisure facilities, parks and open spaces.

In May 2015 there will be elections to Waverley Borough Council as well as Farnham, Godalming and Haslemere Parish Councils.

We need councillors who care passionately about their neighbourhood and the people who live in it.

To help you decide if you would like to be a Conservative candidate for your local Council, we are holding a series of "open days".

You will hear from local Council leaders about what the Borough and Parish Councils do, from an experienced Councillor about standing up for local residents, and from a party professional about campaigning and the support you receive from the Conservative Party. Finally, over-coffee, you will have an opportunity to speak one-on-one with an experienced Councillor to answer any questions you may have.

Councillors are volunteers and come from all sorts of different backgrounds
